Maxim celebrated its September/October issue release party, featuring models, influencers and special guest DJ Fresh One, at the Pendry San Diego's [Oxford Social Club](#).

The exclusive soiree, which took place in the heart of the city's lively Gaslamp Quarter, was packed with former and hopeful future Maxim models, influencers and celebrities.

The evening began with modern coastal cuisine at the Pendry's sister restaurant, Lionfish, before the festivities really kicked off at Oxford Social Club.

Guests boogied down to the sounds of DJ Fishfonics and DJ Fresh One, while the club's beautiful bottle service girls kept the libations flowing all night long.
