Substructure FLL :: George Acosta Invites Kristina Sky :: Review, Photo Gallery, New Music Alert + Video!

April 14, 2016 :: In true fashion, loyal Trance Family and music fans from South Florida and both East and West Coasts came out to support their favorite talents -see *photo gallery below*.

Special guest, internationally renowned female DJ Producer **Kristina Sky** burned down the house for **George Acosta's** special trance music showcase event **Substructure / Hostile Takeover** [Klub Kutters] known underground music venue in **Fort Lauderdale, FL** [support by Marvin Delgado and Deranged].

Kristina Sky returned again to South Florida after a strong start to 2016 including spinning for her uber fans on The Groove Cruise Miami in January; headlining and hosting a handful of her own special events during Miami Winter Music Conference in March, including #UnitedWeGroove Kristina Sky & Friends on the Cleavelander Hotel's lush rooftop "C-Level" South Beach [photos coming soon stay tuned to Miami Publicist]; and now celebrating **New Music Release Audacious [Vandit]** as a power duo with fellow top international female DJ Producer **Orla Feeney [Ireland]** – *did you catch them both on the Groove Cruise Miami this year?!*

The Melodic Mix of Audacious is featured on Armin Van Buuren's A State Of Trance (ASOT) 758 – exclusive link provided at end.

Immediately following her most recent South Florida appearances in April, 2016 Kristina Sky returned to the West Coast to hit up her home stomping ground for the usual rounds including a special appearance for **M.E. & My Friends with Myron Eugene at Florent, San Diego** (photos soon – stay tuned to Miami Publicist) followed by **an extended 3 hour set at San Francisco's premiere nightclub Ruby Skye.**

South Florida fans, rejoice! While tragically forced to miss a gig for the first time in over 500 bookings due to trouble with the airline (unnamed!!), Sky's *Neon Beach, Tampa* appearance is being rescheduled – which means she will return to FL soon, most likely to include a repeat in Fort Lauderdale with Acosta & friends and maybe even a special appearance in Miami, if we are lucky.

Special Guests in attendance at Substructure in Fort Lauderdale included **Laurence Gartel**; beloved artist prolific in South Florida whose work has been featured at The GRAMMYS, along with **Crystal Lemon**; sporting original leggings from the newest **Gartel-designed fashion line**.

Substructure (Klub Kutters) were marvelous hosts! Supporting DJ Marvin Delgado can also be found spinning regularly in Miami and in the Wynwood Art District at Gallery 212 Miami with Jason Perez Music. Thank you to the generous hosts, venue, George Acosta, artists and talent, supporters, staff and especially the fans!

[Corrections to this article ::

#UnitedWeDance was not the name of the show with Kristina Sky at Ruby Skye in San Francisco and so it has been removed.

The name of Artist Laurence Gartel was spelled incorrectly and we have fixed this error.
