

16. **Kristina Sky**

Born and raised in LA, Kristina Sky has been paving a new path for trance addicts around the states while sharing the stage with some of the greats (Daft Punk, Madonna, Above & Beyond, to name a few). Not only has she been taking your speakers by storm with her TRANCELATE radio show, but has spun numerous clubs around the globe. While Sky has been on the circuit for years, due to some bigger fest booking rumors floating about, next year her trance will be making bigger audiences dance.
