NIGHTCLUB & DAYCLUB

The “Wet Wonderland” party brings the best dance music poolside delivering one of the worlds hottest parties every Sunday from 10am to 6pm this summer in Las Vegas.

Just in time for summer,

Marquee Nightclub & Dayclub at the Cosmopolitan Las Vegas and Insomniac have joined forces to create “Wet Wonderland,” a daylife party experience unlike any other. The “Wet Wonderland” party brings the best dance music poolside, delivering one of the world’s hottest parties every Sunday from 10 a.m. to 6 p.m. this summer in Las Vegas. A newcomer to the day life scene, Marquee Dayclub is the pool club to keep your eye on. Insomniac (the successfully mad minds behind the world renowned Electric Daisy Carnival) transform the spectacular venue into an energetic party everyone waits all week for, showcasing what Insomniac and Marquee Nightclub & Dayclub do best. A toast to the weekend, it’s a celebration with energetic intensity that makes “Wet Wonderland” a place you want to be.

The day party launched Sunday April 29, 2012, with Kaskadee, as tracks from “Fire & Ice” played Sunday poolside at the club; Kaskadee brought the crowd to their feet. Sunday, May 20 the party was in full swing once again, seeing Above & Beyond bring their “Group Therapy” tour to the Marquee Dayclub. One of trance’s most successful groups, Above & Beyond wowed the crowd. The British trio known for their DJ performances, production and remix work provided the partygoers just what they were looking for; cutting edge trance beats that kept the energy going all day into the early night. The magnetic performance by Above & Beyond was kicked off by up and coming DJ Kristina Sky. Sky (who has done tracks with Armin van Buuren and Paul van Dyk) began building up the energy with her blend of trance and progressive house that she’s known around the world for.

The return of the sold out Electric Daisy Carnival to Las Vegas the weekend of June 8-10 will bring new meaning to the terms “exclusive,” “sought after” and “must attend” as Insomniac hosts the official EDC day life party experience at “Wet Wonderland” on Sunday, June 10 with Avicii. The extravaganza continues with Sander van Doorn July 8, Cedric Gervais July 29, closing with Gabriel & Dresden August 26. “Wet Wonderland” is an adrenaline filled daydream, full of luscious beats and sensory treats that make it the ultimate day party experience.
