LAS VEGAS DJs

Kristina Sky

Born and raised in Los Angeles, she's been DJing to thousands of crazy clubbers since 2002, coast-to-coast in the U.S. and around the world—from China to Ecuador, the Philippines to Guatemala and Canada to Costa Rica—along with being handpicked to play Coachella, North America's biggest music festival, sharing the stage with legendary acts like Madonna, Daft Punk and Gabriel & Dresden. Her guest mixes and popular radio show "Trancelate" are heard by the masses—broadcasting via satellite, FM and the internet.

She's been voted six consecutive years into the highly regarded Tranceaddict Top 250 DJ Poll (#77 in 2011) and top ranked for trance and progressive on The DJ List eight years running! Her DJ sets are memorable and energetic journeys through the best of dance music and her productions are known to be gritty, melodic and banging. Playing alongside many of the world's top trance and progressive DJs, while also gaining their support on her productions, it's only natural that she has made quite a name for herself in the global dance scene.

Kristina's mission has always remained clear — whether it's a supporting set for a Top 100 DJ or headlining the night herself — to get the crowd moving, play the tracks they want to hear, and give every clubber the ultimate nightclubbing experience!
