**Donald Glaude**

**Off the Hook**

***Moonshine***

His debut album proper, Donald Glaude's *Off the Hook* is for deep house aficionados only. That's not to say that's a bad thing -- just a restricting one.

Though his DJ-ing skills are capable enough for the grooves he lays down, Glaude is a bit obscure -- and, thus (in this case), more aesthetically limited -- in the artists/DJs he chooses to remix, the Freshmaka being the only semi-noteworthy one in the bunch. However, Glaude manages to a seamless job of it on *Off the Hook*, invoking the rave club experience as adeptly as anyone else does, but that's about all -- again, strictly for genre fans.

**Moonshine Music, 8525 Santa Monica Blvd., West Hollywood, CA 90069; <http://www.moonshine.com>**
