Doors: 10pm

Cover: \$10

Event highlights:

- Ladies get in free until midnight
- Guest DJ Dynamix from VH1 Masters of the Mix
- DJ Ronnie Roux, DJ Wixx, and DJ TAF

Join us at Metropolitan as we bring you DJ Dynamix combined with the annual Running of the Santas' event. If you were here last year, then you know this party will be a good one. This year's guest DJ is Dynamix, he appeared on the VH1 Masters of the Mix show last season. He's also won the Redbull 3style DJ competition twice. If you are interested in bottle service for the night, call 504-810-8471 for more information.

DJ Dynamix bio:

Reigning from Los Angeles, Ellis Tenza is enjoying a highly accomplished career, as his DJ name "Dynamix" is most often precluded with the title "King of LA". Having taken the party-rock battle scene by storm, Dynamix has been collecting titles beginning with the King of LA DJ Battle, followed by the Beezo Battle, Mai Tai Rumble, the highly coveted Winter Music Conference Scratch Battle, then taking an unprecedented back-to-back Red Bull Thre3Style Championship in Los Angeles, where in 2012, he placed 3rd in the Red Bull Thre3Style National Finals. DJ Dynamix has appeared on VH1's Master of the Mix – a riveting reality series where DJs compete for the title.

DJ Ronnie Roux bio:

In high school, he always had a liking to play the music at everyone's house party. Stepping into the club scene as a patron, he quickly made friends with the DJ in every

nightclub he went to. Then, the luckiest break ever, a resident DJ at a club he went to was ready to retire. With an offer no 19 year old guy could refuse, he took that DJ job without thinking twice. With no formal training and no clue what to do, Ronnie quickly caught on to the DJ scene. The end result of that lucky break made Ronnie Roux one of the most sought after disc jockeys in New Orleans. He's played in the top nightclubs New Orleans has to offer. His versatility in music formats keeps him busy on the weekends with nightclubs and corporate event planners. He's contracted with the two biggest corporate event planners in New Orleans for the busy tourism industry. Currently residing at the biggest nightclub in New Orleans, he plays a video DJ set every Saturday at Metropolitan. Whether it's hip hop, EDM, top 40 or party rock, he can play it all. Follow him @DjRonnieRoux on facebook & Twitter.

DJ Wixx bio:

Born and raised in New Orleans. The Dj seed was planted while helping a friend at a house party, and ever since then he has been hooked. DJ Wixx quickly landed his first Saturday Night residency at a local hotspot, "Moby's". While pursuing a higher education at Southeastern Louisiana University, he landed his second Dj residency. After his four year reign of college, he returned to New Orleans and moved on to spin at local venues across the 504. As the music scene evolved from club to club, so did his music arsenal, spinning anything from Top 40, Hip Hop to Breakbeat, Old School to Mashups and didn't stop there by adding videos to his set. His ball of fire mixing teamed up with his panoramic audio taste can be seen and heard in New Orleans every weekend at the Metropolitan Night Club.

DJ TAF bio:

DJ TAF was born and raised in New Orleans, LA. He was destined to become a DJ from his older brother being a nightclub DJ. Often playing high school proms and kids' parties turned into a want for more. Upon reaching the legal age to enter a club, he was itching to start his process of learning the nightclub crowd. He took a light guy job at Metropolitan nightclub to begin. Opening and closing shifts soon turned into prime-time DJ shifts for him. Favorite musical genres include hip-hop and EDM. His DJ appearances thus far include TJ Quils, Pub Zero and Metropolitan. With the introduction of videos to the DJ world, he quickly embraced this new technology to be competitive in the DJ market. Follow him on Twitter @theDJTAF or facebook.com/DJTAF

DJ Chris Jones:

An all American southern gentleman, Chris Jones is well known to always keep the party going in the most fashionable of ways. Chris has been working in the nightlife and DJ'ing for more than 7 years, and has quickly gained a reputation for his open format style and ability to always surprise us with his musical selection.
