After debuting “In Your Arms” this past spring, **Michael Woods**’ newest single is out now. The UK native known for his previous remixes of other big name producers, “In Your Arms” is an original, dance floor anthem featuring vocals from the lovely singer/songwriter, **Lauren Dyson**. Also one of the world’s premier DJs, whose name holds weight and merit at the world’s most exclusive nightclubs, Michael Woods’ progressive-house recording has been one of the most anticipated tracks this year for its distinct sounding melodies and 2 fiery drops. Take a listen to the premiere of **Plastik Funk**’s “In Your Arms remix,” and read BroBible’s exclusive Michael Woods interview below. Also start following **Michael Woods** on **Facebook** for upcoming show dates when you can catch him in a city near you.
