PLASTIK FUNK GET SULTRY WITH “LOVE & AFFECTION” ON ARMADA DEEP AND ANNOUNCE TOUR

 RJ Frometa  2 weeks ago  News  16 Views

Plastik Funk first hit the airwaves earlier this year with “Tight” and “Here We Go”. Now they’re back again with another sultry, groovy house tune titled “Love & Affection”. The German duo has created a signature sound with their funky-but-melodic house style, while also managing to give each of their tracks a unique sound. Contrasting from the club-friendly vibe of their previous releases, “Love & Affection” will awaken the rhythm in you with its enchanting vocals, effervescent instrumentals, and dramatic piano riffs. The track finds its home on the prestigious Armada Deep, where Plastik Funk joins some of the biggest names in melodic house, including Lost Frequencies and Deepend. Listen here.
