we all know Beyond song sports teams use for their entrance music. The background music at the club, April 2004. He also played this past year. Darude's sandstorm debuted all the way back in 1999, but it's still going strong today. <http://www.dailymotion.com/video/x23k49>

Nexus' own RON S got the chance to catch up with the Finnish DJ at ADE this year, where they talked about everything from the origin of his name to balancing work and home life to what he's been up to recently (can we say Beautiful Alien?) and what his plans are for the future.
