with BORIS

There are overnight sensations, and then there’s Boris. Baptized in the booths of New York City, the Russian native learned the craft of DJ-ing in front of the most demanding crowds in the world, developing a deep sense of what moves a packed floor in a moment, an hour, or a full night-to-morning extended session...

01. Define yourself in 3 words...

Believe in Boris

02. What's the obsession you can't live without?

Sports, I’m a huge Sports Junkie. Football, Baseball, Basketball etc..

03. What makes you cry? Don't say onions please :)

Not a crier, but sometimes I get emotional about my sports teams

04. Who was your hero as a child?

Besides my dad, Loved Reggie Jackson had posters of him all over my wall growing up.

05. Do you sing under the shower?

Never, just talk to myself lol

06. Would you take a seat with Virgin Galactic?

Probably not, only if I could DJ then be the first guy to play in space or something

07. What's the first record you've bought and do you still own a copy?

Soundtrack for Saturday Night Fever. Actually own 2 copies

08. Which DJ would you like to punch and why?

Never really had any issues with any djs as I respect what everyone does. But I would love to throw a cake at Steve Aoki's face :)

09. Las Vegas or Ibiza?

Ibiza hands down, not a fan of Vegas anymore. It’s gotten to commercial, everywhere you go its the same, 5 to 10 guys playing day and night in the same property, but they packing it in so what can you do.
