

## Ron Reeser ft. Diana Leah – Lose It All [Arcadia]

Following **Arcadia Records**’ previous release ‘TEQUILA’ by Magic Sound and Julian Ray, Jose De Mara has chosen **Ron Reeser**’s new track titled ‘**Lose It All**’ as his label’s next installment, which also includes **Ducka Shan**’s remix

Featuring **Diana Leah** on vocals, Arcadia Records’ upcoming tune comes after the Spanish imprint’s **WhiteWeek**, where users had the chance to download the label’s whole catalogue FOR FREE for seven days.

**Arcadia Records** is an independent label, property of the Spanish DJ/Producer Jose De Mara, who recently revealed his collab with New York-based producer Steve Powers, titled ‘Forever Mine’ on Mirage Records, which was premiered by Protocol Recordings’ mastermind, Nicky Romero.
