ABOUT US ▾  
First weekend of Splash House in Palm Springs and  
HARD Summer in Los Angeles.

Playing a staggering twenty tour dates throughout the summer season, Vanilla Ace’s foray into North America will take him from coast to coast, playing major cities in the US and Canada.

With releases on Bunny Tiger, OFF, Go Deeva and more, Vanilla Ace possesses a release resume well over a mile long. The moniker of London-born Sam Young, Vanilla Ace’s sound stems from a constantly evolving collision of house-infused disco, New Jack Swing, ghetto house and bass that refuses to be defined. Never losing momentum, Vanilla Ace has earned a steady string of accolades over the past few years, nominated as “Best New Artist” and “Best Breakthrough” in 2012 by Soundplate and earning the title of one of Beatport’s Top 10 Nu Disco / Indie Dance Artists in 2014.
