## Dead Space & John Summit Release Two New Tracks [Repopulate Mars]

by Andrea Calderon(<https://theknockturnal.com/author/andrea/>)

**R**ising tech-house producers *Dead Space & John Summit* coat the latest *Repopulate Stars Outer Limits Compilation* with their pulsating kicks — out now via Lee Foss' *Repopulate Mars*.

**Repopulate Mars** turns towards the Stars in their newest summer installment, titled *Outer Limits*, featuring eighteen cuts from an array of established and emerging talent. Releasing music from the likes of Michael Bibi, Solardo, CamelPhat, Detlef, and more, it's no surprise that Repopulate Mars is one of modern house music's most defining and prestigious platforms.
