**Dead Space** teams up with **G. Felix** on **Lee Foss' Repopulate Mars** this September with 'Pride' EP.

Hailing from Orlando, Florida, **Dead Space** releases have graced labels such as Toolroom, Bodhi Collective, Erase Records, Glasgow Underground and La Pera, whilst receiving regular support from the upper echelons of house music like Claude VonStroke, Chus & Ceballos and Mark Knight.

Meanwhile, Brazilian producer **G. Felix** has dropped two releases on Kadence Records that have become staples in the sets of Eli Brown, Marco Carola, Joseph Capriati, Erick Morillo, and Pete Tong among many others. Together they debut on Repopulate Mars following releases by Lee Foss, Latmun and Eli Brown.

Our debut transmission 'Pride' sets the tone of the release with a pulsating bassline, choppy vocal loops and delayed siren-like effects. **Dead Space and G Felix's 'Pride EP' drops on Repopulate Mars on 7th September – grab a copy here.**
