## RAFA BARRIOS

### BRAINWASH

PUBLISHED

12.05.2017

Hot off the heels of a rip-roaring set at the Toolroom InStereo party in Miami last Month, Rafa Barrios returns to Trax with an out-standing new track entitled 'Brainwash'.

Rafa has enjoyed incredible success over the past few years with his resident label Stereo as well as Suara and of course our very own Toolroom Trax. This has already been hailed as his finest work at Toolroom HQ and that is some accolade considering his recent output. There's a real musicality to this alongside his trademark techy grooves.

A straight up banger from the mighty Spanish export, Rafa Barrios!
