## Premiere: elrow Music and Stereo Productions Join Forces For First Collaboration EP

December 4, 2018 / in Music, Soundcloud, Tracks / by Marco Sgalbazzini

The last month of the year is here and **elrow Music** [<https://soundcloud.com/elrowmusic>] wants to start the celebration early, with the release of its **ERM145th** reference, in the form of a **Various Artists EP**. And this isn't just any other EP. "elrow In Stereo Vol.1" is the first collaboration between elrow Music and **Stereo Productions** [<https://soundcloud.com/stereoproductions>], the worldwide recognized platform of Chus & Ceballos.

In this first take, the Stereo crew has taken over our headquarters and have tailored a high rolling EP, with tracks by **Chus & Ceballos** [<https://soundcloud.com/chusceballos>], with **Melé** [<https://soundcloud.com/ukmele>], **Danny Serrano**, **David Herrero** and **Rafa Barrios** – all of them, familiar faces of the Stereo family.

It's not hard to notice that **Rafa Barrios** has had his tracks played by industry heavyweights alike, with artists such as Carl Cox, Richie Hawtin, Marco Carola, Reboot, Chus + Ceballos, Christian Smith and Danny Tenaglia just a few of the peers that have supported and shown appreciation for the Spaniard's productions.

Looking at his catalogue of releases we find labels such as Tronic, Suara, Toolroom, Stereo, Intec Digital, Knee Deep in Sound and many more, a testament to his quality considering the fact that not only are some of the aforementioned acts playing Rafa's tracks out, but they are signing them to their label.
