Following on from smash releases on **Toolroom** and **Stereo** earlier this year, **Rafa Barrios** is enlisted by the **Solardo** lads for a punchy tech-house record in the form of the '*Flipflop*' EP, out on 2nd November via **Sola**.

Our premiere is the Lead track '*Flipflop*', which picks up the pace with wandering drums and peppy percussion. One listen to this EP and its clear why the likes of **Carl Cox**, **Richie Hawtin**, **Dubfire** and **Marco Carola** continue to support **Rafa Barrios'** work.

Hailing from Spain, **Rafa Barrios** has built his name through deep, tech house cuts that have resonated globally with releases on the likes of **Toolroom**, **Blackflag** and **Tronic** whilst playing at a variety of festivals and events including **Pacha**, **Elrow**, **Café Mambo** at **ADE**, **Igloofest** and **BPM Festival** to name just a few. Continuing to rise above the ranks and cement himself amongst the underground heavyweights, the '*Flipflop*' EP marks exciting times ahead for **Rafa Barrios**.

Rafa Barrios – *Flipflop EP* is out on 2nd November via **Sola**.
