Disco Fries Drop Latest NFT Collection 'Friends of Fries' Via RCRDSHP

 OLIVER TRYON MAY 3, 2022

Leading electronic dance music duo Disco Fries are delivering an innovative new experience – and continuing to pave the way within music culture. Known in the dance music space for their signature sound and exceptionally clean mixes, Disco Fries are forging their path in Web3 with a new pack titled '*Friends of Fries*', featuring some of their own music, collaborators, and up-and-coming artists, dropping on RCRDSHP on Friday, April 29th. The pack features over 30 collectibles in total, with rewards and challenges for fans to have a chance at creating a track with Disco Fries, as well as a 1 of 1 fan experience, which includes a full studio day and dinner with the duo. Disco Fries are creating more utility and rewards from this pack than has ever been seen before on RCRDSHP – even more proof they continue to set a new standard when it comes to what can be done with music NFT's and all they have to offer.
