

Freshcobar & Lavelle Dupree – Story of My Life

🕒 March 9, 2023 👤 by ihouseuadmin 💬 0 comments

San Diego-based DJ's and producers Freshcobar & Lavelle Dupree have taken things a step further with the launch of their new imprint NOS Recordings. Both DJs are staples in the scene and have toured around the world for decades. Freshcobar also known as DJ Fresh One, a globe-trotting open format DJ, and Lavelle Dupree from the infamous Scooter and Lavelle are back at it again with their first release together for 2023. Both of them have releases on Enormous Tunes, Sirup Music, Undr the Radr and Twisted Funk Records. Both of them back with their own label and imprint to stamp and solidify their name in the space.

"I decided that it was time to put out music on my own imprint. I didn't release a ton of music last year on purpose but the creation was still in motion. So stay tuned I can't wait to share what I have with the world." -Freshcobar

With Freshcobar, Lavelle Dupree, and other NOS Recordings DJ/Producer and famed designer, Erick Diaz teaming up to launch their own imprint, it is time for the people to pay attention.

Make sure you prepare because... No Ones Safe (NOS Recordings).
